"Midian Crosby knows her craft well, and is highly professional while also being a joy to work with. Audiences laud her work without exception in the 'Motivational Growth' test screenings, and her work in 'WEAPON' was beyond my expectations for the budget. Without a doubt, we'll call on her again."

--Alexis Thacker Executive Producer, Imagos Films

"Monster" Midian Crosby - CEO, Artist

Monster Makeup FX is led by expert FX artist "Monster" Midian Crosby. She has an industrial design degree specializing in special effects plus over a decade of film and department head experience; and FX technician and marketing guru Joshua Adams who handles the operations, blood effects and web media.

Together they have almost 30 years experience in business and over 14 years working in film and media. With our team of interns, support artists and technicians Monster Makeup FX is ready for any production.
